**FURTHER STATUS LETTER REGARDING REQUEST FOR REFUND**

Appellant filed a request for Oral Hearing and the associated fee, paid by Credit Card. Via fax on September 9, 2004. Subsequently appellant received the Docketing Notice, mailed June 23, 2005 which stated in error that no Oral Hearing has been requested. A request for correction was filed by fax on July 2, 2005.

In spite of this the Board issued a decision mailed August 23, 2005 affirming the Examiner and without the requested hearing. Therefore the Oral Hearing Fee paid should be refunded to the undersigned so that he can issue the credit to the client and such a request was filed by fax on August 31, 2005 and that request appears in the PARE file. Having heard nothing further Applicant filed a Status Letter as to this on September 30, 2005 and another on October 29, 2005 both of which remain unanswered. In addition the PARE records now show that a Notice of Abandonment has been sent to the undersigned. Please advise the undersigned when this request will be responded to.

Respectfully submitted:
